

We say "God is love," but do we really believe that? Does it make any difference in our lives? Do we actually live as though God's love were conditional?

In today's society, our concept of love has been so cheapened, abused, and twisted that we think of as love as something so small and selfish. This makes it difficult to understand the magnitude of God's love for us.

In the series God Loves You--He Always Has, He Always Will, Dr. Jeremiah challenges us to consider God's passionate and personal love for all mankind. This study focuses on 10 different dimensions of love as manifested by the God who is love. When we understand God's love for us, we are empowered to then share it with others.

Join us beginning January 9th at 2:00 pm in the Seekers room. There is no cost to the class, however if you would like a study guide to follow along it will be \$10 by January 2nd and you can give that to Edna or Lisa in the office.
